Christmas, 2014

It's time to start Christmas Lists! There's always at least one person on our lists who seems to have everything. What gift can we give?

We have fellow Americans who need help. Two rural areas in particular suffer from extreme poverty—the Appalachia region and the Arkansas Delta. Here one in four children does not have enough healthy food.

Heifer USA has found motivated communities: farmers willing to learn modern techniques; neighbors with innovative ideas; and local leaders to coordinate efforts. This focus on community-based development is the key to successfully ending hunger. **Heifer USA's** leadership and financial support brings increased farm production, new markets, processing plants, and product distribution centers. Entire communities benefit from agricultural related jobs.

A **Heifer USA Gift Certificate** shows a gift has been given in someone's name. Make an offering to Heifer USA and indicate it is for a Gift Certificate. Put the check in the offering plate or give it to Peggy Brown, Judy Steckly, or anyone in the office. The Gift Certificate will be ready the next week, or sooner, if needed. There will also be gift boxes where donations will accumulate and be given after Christmas to **Heifer USA** by Lincolnshire Church of the Brethren. The boxes are located in the Fellowship Hall, the back of the sanctuary, the Fellowship Hall and the kitchen.

Leave some white space.

In publication lay-outs, white space is an important design element. Instead of being a wasted area, it actually provides visual relief for readers.

A similar concept applies to a family calendar. How much "white space" do you leave in each little square? With a fast-paced, no-white-space life, relationships suffer. But when you allow your schedule to slow down, leaving openings for adventure, spontaneity and down-time, you can grow closer to one another.

Thank You!

*Dear friends,
Thank you for all the prayers, cards,
calls and food during my recent illness.
It meant so very much to me. Blessings
to all.*
