## Today's Sermon

### "The Medium of the Master"

Day by day we bear testimony to the kind of people we are and are striving to become. Every thought, word, and deed paints a portrait of our character, and our character reveals the contents of our hearts. Iranaeus prayed, "Offer him your heart, soft and tractable." Tractable means being easily led, taught, or controlled. It is being receptive to how God wants to mold you. The world would be better with fewer characters and more people with character.

Join in the "talk back" session following the worship service as we consider this reading.

**Lost and found????** Several items are on the table on which the mailboxes are located. These include yarn, a sack of books, calendars and a box of crayons. If these are intended for someone, please mark the item or give it to that person. If not claimed or removed by next Sunday, they will be put in the kitchen for claiming and/or disposal.

Also, if you are in the church during the week and use glasses, silverware, etc. from the kitchen, please wash and dry them and put them away. At last check, we don't have a part time or full time dishwasher. **THANKS!**

"You've gotta dance like there's nobody watching,  
Love like you'll never be hurt,  
Sing like there's nobody listening,  
And live like it's heaven on earth."

### Braden Hix

**Braden** is the grandson of Charleen Collette. He had a birthday in January and is now six years old. He attends New Haven Elementary and is in kindergarten. He loves monster trucks, Blade Blaze and pizza. He thinks his grandmother is the “greatest cook in the world.” He loves his little brother Keydin who is two years old and likes to play with his big sisters, Shianna and Britany. Braden told his grandmother that he really loves church and his Sunday school teacher, Ruth Strole.

## Help the Food Pantry and receive \$5 off your Portrait Order

Bring a food item (canned goods, cereal, boxed dinner, canned meat, etc.) for the food pantry and receive a \$5.00 off certificate for your Lifetouch portrait order. A box will be located in the Fellowship Hall in which you can drop off your donation.

### LIFETOUCH PHOTOS

**Friday, February 21** and **Saturday, February 22**

Portrait Session reminder cards that reflect your portrait date and time will be given out this morning. Not certain what to wear? **Lifetouch** photographers say, “Be Yourself!” Dress can be classic, casual, sporty, fun...it’s up to you. Here are some tips:

- Solid colors work best. Avoid busy patterns, they distract from your face.
- Avoid changing your hairstyle or cutting your hair right before your setting.
- If you are wearing special jewelry, mention to the photographer that you would like to have your jewelry featured in the portrait.
- Apply make-up as you normally would for an evening out. Remember: your eyes are the focal point in a portrait.
- If you wear glasses all the time, you’ll want to have them in your portrait.
- Lifetouch offers portrait retouch that can soften lines, etc.

**Portrait guides are available at the back of the sanctuary.**

### Puerto Rico churches to become 24<sup>th</sup> district in the Church of the Brethren.

In January, the Church of the Brethren congregations in Puerto Rico acted to begin the process of becoming the denomination’s 24<sup>th</sup> district. Up to now, their churches have been part of the Atlantic SE District. The churches will be selecting a district executive and working on the process and other structures to form this new district. We extend our best wishes and prayers to help support their endeavor.
