Lincolnshire Spotlight

Raeanne Elaine Mann

Raeanne's birthday is September 15 and she is 8 years old. She goes to Abbot School where she is a second grader and wants to become a teacher. Raeanne also loves art and loves to run and sing. Her favorite food is pizza and fruit and she loves cookie & cream chocolate bars. Her favorite Bible story is the birth & death of Christ and how he was raised from the dead. She tells people that God died for our sins so we can go to heaven. She also stands up for her siblings and doesn't allow others to mistreat them. Riley is her brother and Nevaeh is her sister.

HELP.....! No one has signed up to make coffee during the month of June! This means there will be NO hot coffee waiting for you on Sunday mornings, NO hot coffee for fellowship time. It also means donuts and muffins won't be out on the counter or the table. So take your turn.....call the church office or email me at sarar185@frontier.com. We will make sure you are instructed on the fine art of coffee making. *Thanks!*

Genuine faith puts its letter in the mailbox and lets go.
Distrust, however, holds on to a corner of the envelope and then
wonders why the answer never arrives.

Annual Conference exists to unite, strengthen, and equip the Church of the Brethren to follow Jesus.

This year Annual Conference will partner with the YMCA/YWCA for our Witness to the Host City. The YMCA's shelter for women, Rebecca's Place works with women and children in a ministry that offers educational opportunities, job training, and employment services to equip women and families for a better future. Here are some of the most pressing needs they have that we can respond to at our Annual Conference.

SOCKS – both men and women's are needed.

DISPOSABLE BABY DIAPERS – any size

SUPPLIES FOR HYGIENE KITS – hand towels, wash clothes, one gallon zip lock bags for:

- | | |
|-----------------------|-------------------------------|
| Bath size bar of soap | One wide-tooth comb |
| Bottle of shampoo | One container of dental floss |
| Deodorant | Six band aids |
| Nail clipper | |

You may make your own hygiene kits or bring supplies for kits. The children and the youth group will be assembling the kits. **Marked baskets or boxes are in the back of the sanctuary in which you can place your contribution.** Casey and Marilyn Drudge will take our contributions to Annual Conference in July where they will be presented at the Thursday evening worship service. Thank you so much for your generosity!

TODAY IS THE LAST DAY TO ORDER COOKIES FROM AMY KOLB TO HELP KIDS GO TO CAMP MACK THIS SUMMER.

Thank you so much for your generous response in helping fill the food pantry. Your donations enabled Jack Steckly to fill several food bags, some of which were given to people who were waiting at the front door. It is so gratifying to know that you will help us fill those pantry shelves when they are low.

OUTRAGEOUS and **COURAGEOUS**

Chapter 6

“Extending Invitations”

You are invited!

As we begin to read the Bible as a book of inspired invitations, we can also begin to recognize that our lives and interactions with others have a similarly dynamic, Spirit-led quality. It's not just that inviting someone to a wedding is a teachable metaphor or that throwing a party is *like* the kingdom of God. It's that giving or receiving an actual invitation can be a way to build the *actual* kingdom.

What are some of the best invitations you ever received? What are some of the worst? What made them good or bad? Think about it....and come to class to discuss and connect. *(That's an invitation!)*
