Graduate Recognition is next Sunday, June 8th. We will honor our two graduates, **Shannon Kiess** and **Jacob Strole**.

Thanks to **Craig and Ruth Colvin** for signing up for coffee in July! And thanks also to **Marilyn Drudge** for signing up as a substitute for the summer months. Only October and December remain open! Best hurry and sign up now before they are taken!

Camp Mack is in need of additional summer staff. They are looking for high school or college age teenagers. Short term options are also available. Check their website www.campmack.org for details.

A gigantic thanks to ALL the guys who are working so hard on the church property! The lawn is taking shape again with the practice of weed control, regular mowing, trimming and mulching. The trellises on the south side have been repaired and painted also. To establish a presence on the grounds, the police are doing "drive-bys" or taking lunch breaks from time to time to discourage any vandalism. So many "unsung heroes" who work so hard to make it appealing and safe for visitors and us!

OUTRAGEOUS and COURAGEOUS

Chapter 8 “Embracing Risk”

This chapter invites us to take risks... to build relationships with folks who are not part of your faith community, to reach out with caring toward people who are not like you. We are invited to risk disappointment, failure, and stress. We are invited to risk rejection, to leave our comfort zones and

put words to a faith you will never be able to fully capture. We are invited to risk our time, money, and energy that may not have a measureable payoff. Sometimes it will be easier than you expect. Sometimes it will be harder than you expect.
