**YOU CAN HELP**

The Food pantry *always* needs...

- Peanut butter
- Spaghetti Sauce and spaghetti
- Pancake Mix and syrup
- Macaroni and Cheese
- Canned tuna and canned chicken
- Cereal and instant oatmeal
- Canned soups

**Be Strengthened**

We continue to give out several bags of food and average 6, sometimes 8 bags a week. Your support is so appreciated but especially by those who come to the door in need of help with food supplies. Thank you!

Thanks so much to all who prepare morning coffee and to those who bring in muffins, cookies, donuts and other treats on Sunday mornings! Take a moment to thank Carolyn Gorom, Jan Ward, Craig & Ruth Colvin, Bill and Cheryl Leverton, Lori Linn and Jack Steckly for their early arrival and clean-up. They certainly make our Sunday mornings very special! And speaking of coffee making, **please leave the coffee maker plugged in at all times.** It uses very little electricity and insures hot water for starting the coffee process. If unplugged, it adds ½ hour to 45 minutes to the process. Thanks much!

**John Kolb** is looking for folks to help identify and sort cans of paint that have accumulated through the years here at church. This would require only a short period of time and involves popping off paint can lids, identifying where it was used and discarding any that are dried out, etc. Please contact John if you would like to help!

**First Aid Kits** are now located in various places around the church. They can be found in the Nursery, the lower level kitchen atop the refrigerator, in the kitchen on the main floor and on a shelf outside the church office. These locations will be marked in the near future so they can be easily assessed.

**Next Sunday**.....the choir begins their season of beautiful musical offerings during the worship service. Their opening selection is "Ask of Me." The choir is also welcoming a new member, **Pat Fair!** We look forward to another year of their enhancement to the worship services.

**Also next Sunday...**

We will partake of the Bread and Cup Communion during the morning worship. When we receive the bread offered during Holy Communion, we are connected deeply and spiritually with God through Christ. We are nourished by the grace we receive, encouraged by those around us and strengthened to live life to the full. There's no substitute for the love and life we experience when we break the Bread of Life. Like Peter we cry out, "Lord, to whom [else] shall we go? You have the words of eternal life" (John 6:68).
