This is a day of fun and festivities for the whole family! Enjoy a variety of foods, crafts, demonstrations, activities, entertainment, train rides, hayrides, horse-drawn carriage rides, and pontoon boat rides. You can also vote for your favorite scarecrow, check out the silent auction, or attend the benefit auction featuring quilts, comforters, theme baskets, books, hand-crafted items, and antiques. **All ages** of kids and adults are welcome! Handicap parking and transportation is available for those with special needs. **Free admission and parking.** Festival proceeds help underwrite summer camp scholarships.

See the brochure in the bulletin for program details.

Becky-Ball-Miller will be our guest speaker on October 5. Many of you may recognize her name as she served many years on the staff at Camp Mack where she was called and ordained to set-apart ministry in 1990. She served the last eight years as the Camp Mack Executive Director, ending her service as such in January 2002.

Becky has served the Church of the Brethren and many not-for-profit boards in a variety of roles. She currently serves as the chair of the Church of the Brethren Mission and Ministry Board and is a member of the Union Center CoB. The Mission and Ministry Board is called by the Church of the Brethren to extend the church's witness around the world. It leads out in God's mission, serving as a bridge between the local and the global and creating opportunities for service and partnership.

It supports congregations in their task to create communities of faith that proclaim the good news of Jesus Christ, cultivate discipleship, respond to human need, and make peace.

Now has come the **glory** season. **Glory** in the bountiful fruits of God's earth. **Glory** in the breathtaking multi-colored leaves of the trees. **Glory** in the invigorating smells of Fall. Even **glory** in the sparkling frost-blanket covering the grass and putting it to sleep for the winter. **Glory, glory** everywhere we look.

NEWS & Notes

Did you notice that the church's window wells have been painted? Do you know where the window wells are? Well, if you did notice, you can thank the **Youth Group** for climbing down into the wells and applying a badly needed coat of fresh paint. And if you didn't notice, take a look as you leave church this morning. They look great! **Thanks much, kids!**

Caregiver Groups have been formed. The Group Leaders met September 21 after Sunday school to acquaint themselves of their responsibilities to those on their lists. If you have not yet been contacted by your caregiver, you soon will be. If you have not been contacted and would like to know whose group you are in, contact Marty Kaylor or the church office.

Pastor David and Sue will be on vacation from October 1 through October 8th. They will be fishing in the wilds of Wisconsin on Big Chetac Lake. For all you fishing enthusiasts, this lake is billed as the bluegill fishing capital of Wisconsin and is known as the fisherman's (fisherwoman's) paradise as Sue also loves fishing.

During David's absence, hospitalizations and/or illnesses requiring visitation can be brought to the attention of **Joe Henderson** or to the individual's Caregiver. If the Caregiver is unknown, you can call **Marty Kaylor** or the church office.

John Kolb has contracted with Dahm Brothers Roofing for the installation of electrical heat cables for the gutters. The cables are thermostatically controlled and will generate heat throughout the guttering system, preventing ice build-up during heavy snow/rain/extreme temperatures this winter. Thanks, John, for being ahead of the game!

Can it be? The **Christian Education Team** is talking about plans for the children's Christmas program! **Judy Steckly, Pat Fair** and **Ruth Strole** are also "ahead of the game." The date for the program has been set for December 14th.
