“Spread love everywhere you go;
to show love for God and our neighbor
we need not do great things.

It is how much love we put in doing
that makes our offering something beautiful to God.”
Mother Teresa

Following is the financial update YTD through August, 2014.

Actual Income	\$100,495
Pledged Income	\$100,612
Actual Expenses	\$102,684
Budget Expenses	\$100,612

The **"From the Heart"** offering of \$7,854 brought our budget income back in line. The giving response was overwhelming and is sincerely appreciated. Our expenses are a little over budget primarily because of more heat cost, more snow plowing cost and higher office machine repair cost than budgeted. Unless spring arrives about November 1, we probably won't be able to bring the fuel and snow plowing cost back in line. We negotiated a better cost on the new copy machine so that cost will be less for the months of September through December. This will help bring item closer to the budgeted amount for the year.

Thank you for your faithful stewardship and if you have any questions regarding fund expenditure, please see Marv Loutsenhizer, Bob Kaylor, or Marilyn Drudge.

From the Association of the Arts Church of the Brethren...

Thank you for your lovely block for the 2014 Annual Conference wall hanging or quilt. Your choice of design and color will add to the beauty and uniqueness of the finished wall hanging or quilt. *"A nicely pieced block with tiny squares and bigger ones. The floral triangle in the middle have the butterfly look. Thanks, also, for the donation."*
